

ASX ANNOUNCEMENT**24 JANUARY 2018**

VALMEC CONTINUES TO GROW ORDERBOOK

Valmec Limited (ASX: VMX) is pleased to announce it has secured new service and construction contracts in the gas and infrastructure sectors, with a combined value of approximately \$7 million.

The new contracts include:

- Construction, fabrication and installation of metering stations and delivery stations for APA Group at their Yamarna Gas Pipeline facility on the Eastern Goldfields Gas Pipeline in Western Australia;
- Civil construction works for DBP at their Pluto Compressor Station in Western Australia; and
- Infrastructure services works for CBH Group at their Mirambeena development project.

These new contracts are testament to the Company's broad range of execution capabilities, as well as its growing prominence in the gas sector – a sector that Valmec continues to lead in the delivery, service and operations of gas compression and processing infrastructure.

All works on these new contracts are expected to commence immediately with the majority of works expected to be completed within the current financial year.
