We are also now pleased to issue a Replacement Prospectus, which is open to investment from today.

In light of the above, the Company has decided to extend the closing date of the capital raising offer to 5.00pm (WST) on Monday, 5th February 2018.

The revised indicative timetable is now as follows:

Offer closing date	5 February 2018
Shares issued under Prospectus	9 February 2018
Re-quotations of the Company's shares by the ASX	16 February 2018

The above dates are all indicative only. The Company, in consultation with its advisors, reserves the right to vary these dates, including by closing the offer early, which may in turn have an impact on the dates after the date of the close of the offer.
