#### **ABOUT TV2U**

TV2U is a global complete entertainment platform that enables businesses, such as telecommunications companies, to quickly and easily offer streaming content to their customers. The service includes movies, television programs, karaoke content and games through an encrypted channel for enhanced copyright protection. TV2U also offers unique real-time viewership analytics to enable businesses to send highly targeted advertising to end-users to maximise their revenue streams. TV2U is changing the face of online entertainment and advertising.
