DELIVERIES TO JSW STEEL COMMENCE

NSL Consolidated Limited (Company, ASX: **NSL**), wishes to advise the market that deliveries have commenced to JSW Steel.

As announced on 30 November, the Company further expanded its customer base with the receipt of a 4,000 tonne purchase order (4-5000 tonne PO's represent normal steel mill ordering size in India), from JSW for premium filter cake grading 58-60% Fe. The order is on commercial terms in line with other customer orders.

JSW Truck loading and dispatch

JSW is India's leading private sector steel producer and among the world's most illustrious steel companies. It is a circa \$9 billion global conglomerate spread over six locations in India and a footprint that extends to the US, South America and Africa.

As the flagship company of the \$11 billion JSW Group, JSW is testament to decades of experience and a dynamic culture that have culminated in the company becoming the leading provider of specialised steels in India.

The JSW steel complex is approximately 160kms from NSL operations and located within the Hospet region of Karnataka, southern India's main steel producing belt. Production facilities include a Beneficiation Plant, Pellet Plant, Coke Plant, Hot Metal Plant, Steel Plant, Mill Plant and a R&D Facility. The plant consumes in excess of 20 million tonnes of iron ore per annum and is the largest steel producer in Southern India. The complex has been awarded numerous awards and accolades, including the Prime Ministers special commendation as the Best Integrated Steel Plant in 2012-13.
