K2fly Announces New Contract Win

Highlights

- K2fly wins significant services contract with a Tier 1 utility company
- The contract will see K2fly providing leading edge advice to the company's IT department
- The contract length is approximately 5 months and will make a material contribution to the Company's revenues in the current financial year

K2fly Limited (**K2fly** or **the Company**) is pleased to announce that it has won a significant services contract with a Tier 1 publicly-owned utility company. The assignment will see K2fly providing leading edge advice and guidance to the company's IT department. The contract will run for approximately 5 months and due to its size, it will make a material contribution to K2fly's revenues for the FY2018.

Brian Miller, Executive Chairman and CEO of K2fly commented, "There are signs that some of the major utility companies in Australia are looking to introduce new solutions and technologies as they prepare to face the inevitable challenges of digital disruption. It's all about combining effective corporate strategy with efficient technological delivery. The combination should deliver sustainable improvements. K2fly has a number of experienced practitioners who can provide strategic advice to executives in this arena, and we are delighted to have won this competitive bid."
