Dear Ms Pratt,

Request for temporary suspension from quotation of securities under Listing Rule 17.2

Tasman Resources Ltd (“Tasman”) is the major shareholder of Eden Innovations Ltd (“Eden”). The proposed capital raising that Eden Innovations Ltd is arranging through placements to a number of US and Australian institutions is not yet complete.

Accordingly, Tasman is not in a position to announce the successful completion of this capital raising by Eden before the commencement of normal trading on Monday 5 February 2018, and accordingly seeks a temporary suspension from quotation of Tasman’s securities until the earlier of the commencement of normal trading on Monday 12 February 2018, or when the announcement is released to the market.

Tasman Resources Ltd is not aware of any reason why its securities should not be suspended.

Should you require any further information or details, please let me know.

Yours faithfully,
