### **Exploration and Development of Coal Mining Activities**

In June 2013 APAC Coal Limited ("APAC"), and majority shareholder Magnus Energy Group Ltd ("Magnus"), Magnus' wholly owned subsidiary Antig Investments Pte Ltd and APAC (collectively referred to as "Magnus Group") issued a Notice of Intent ("Notice") to Resolve Investment Dispute Through Consultations and Negotiations with the Government of the Republic of Indonesia. The purpose of the action taken by the Group is to seek recourse under the Agreement between the Government of the Republic of Singapore and the Government of the Republic of Indonesia on the Promotion and Protection of Investments and the Agreement between the Government of Australia and the Government of the Republic of Indonesia concerning the Promotion and Protection of Investments. # **Report on the Half-Year Financial Report**

We have reviewed the accompanying half-year financial report of APAC Coal Limited which comprises the consolidated condensed statement of financial position as at 31 December 2017, the consolidated condensed statement of profit or loss and other comprehensive income, consolidated condensed statement of changes in equity, the consolidated condensed statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

# **Directors' Responsibility for the Half-Year Financial Report**

The directors of APAC Coal Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

# **Auditor's Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of APAC Coal Limited's financial position as at 31 December 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of APAC Coal Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Independence**

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the Corporations Act, which has been given to the directors of APAC Coal Limited, would be in the same terms if provided to the directors as at the time of this auditor's review report.

# INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF APAC COAL LIMITED AND ITS CONTROLLED ENTITIES

# **Conclusion**

Based on our review which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of APAC Coal Limited and its controlled entities is not in accordance with the *Corporations Act 2001* including:

- (i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2017 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 200*1.

# **Emphasis of Matter – Going Concern**

Without qualification to the conclusion expressed above, we draw attention to Note 10 of the financial statements, which describes the principal conditions that raise doubt about the Group's ability to continue as a going concern. These conditions indicate the existence of a material uncertainty that may cast doubt about the Group's ability to continue as a going concern and therefore, the Group may be unable to realise its assets and discharge its liabilities in in the normal course of business, and at amounts other than as stated in the financial report. The Group financials do not include the adjustments that would result if the Group were unable to continue as a going concern.
