## **About Empired Limited**

Empired Limited is an IT Services provider with a broad range of capabilities targeted at delivering enterprise IT solutions that improve efficiency, productivity and competitive advantage for our clients.

Our clients are medium to large corporate and government organisations within key industries including Energy and Natural Resources, State and Federal Government, Finance and insurance, Utilities and Transport.

We offer a broad range of services from managed services to digital transformation. Together they provide a breadth of service and expertise not seen in other consultancies of similar pedigree allowing Empired to deliver 'end to-end' business solutions that assist our customers in driving their key business outcomes.

With a team of over 1,000 people located throughout Australia, New Zealand and North America, Empired has built a reputation for service excellence. This combined with our strategy that is underpinned by initiative, innovation and growth ensures that in a dynamic and rapidly growing technology market place Empired is strongly positioned to capture market share and continue to build on its success.

## Important notice re forward looking statements

Certain statements made in this communication, may contain or comprise certain forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, success of business and operating initiatives, changes in the regulatory environment and other government actions, and business and operational risk management. The Company undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events.
