

ASX Companies Announcements Office

15th February 2018

Cornerstone Signing in Food Services and Healthcare Vertical

Vault Intelligence Limited (**ASX: VLT**) (**Vault, the Company**), the leading SaaS business delivering solutions in the Risk, Environment, Health and Safety (EHS) sector is pleased to announce the signing of Compass Group New Zealand. Compass Group New Zealand (Compass) is wholly owned by the London Stock Exchange listed Compass Group PLC.

Compass employs nearly 5,000 people across 350 national sites, under its Medirest, Eurest, ESS and Restaurant Associates brands. Vault is thrilled to have won the contract to provide added risk and safety assurance to Compass. Compass provides food and support services to the healthcare, senior living, education, defence, off-shore and remote, and sports and leisure sectors. Vault will provide its mobile and enterprise suite (including the recently announced and released Vault 3 platform) to further support Compass.

An exciting part of the Agreement with Compass will see Vault collaborating with Compass's Health and Food Safety specialists to develop an online world class food safety module.

CEO Vault David Moylan commented "*We are delighted to be working with Compass to develop the latest in food safety systems. Compass is a global leader in this field and sets the benchmark and standard for food safety.*"

The signing of Compass is a continuing advancement to the Company's ambitions to expand its customer reach within both the food services and healthcare verticals.

Ends.

Caution Regarding Forward Looking Statements

This announcement may contain forward looking statements which involve a number of risks and uncertainties. These forward looking statements are expressed in good faith and believed to have a reasonable basis. These statements reflect current expectations, intentions or strategies regarding the future and assumptions based on currently available information. Should one or more risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary from the expectations, intentions and strategies described in this announcement. Unless expressly stated, the Company does not provide any forecast regarding revenues that maybe derived from a particular customer contract, as such revenues are generally dependent upon the extent of the usage of the Company's product suite. Any forward looking statements are made as at the date of this announcement and the Company disclaims any intent or obligation to update publicly such forward looking statements, whether as the result of new information, future events or results or otherwise.
