### **Review of Operations**

The company was placed in administration on the 9 June 2016 and was dormant throughout for the 2017 Financial year. On 10 July 2017 a binding Heads of Agreement was signed with Pharmaceutical Development Company (Pty) Ltd ("PDC") which has obtained and will be operating a renewable 10 year licence (Licence) granted by the Government of Lesotho on 28 February 2017. The Licence authorises PDC to cultivate, manufacture, supply, research, hold and transit cannabis, cannabis plant and cannabis resin as well as import cannabinoid seed for medical, scientific or other lawful use.

On 24 October 2017 Bronson Group Limited (BGR) terminated the agreement with Pharmaceutical Development Company (Pty) Ltd (**PDC**) as BGR was unable to satisfy all of the re-compliance requirements set by the ASX. As such, the parties to the agreement have agreed to mutually terminate the Agreement with no acknowledgement of fault by either party.

BGR continues to focus on additional project opportunities, both in the cannabis sector and elsewhere.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE HALF-YEAR ENDED 31 DECEMBER 2017

### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### a. Basis of Preparation

These general purpose interim financial statements for half-year reporting period ended 30 June 2017 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Bronson Group Limited and its controlled entities (referred to as the "consolidated group" or "group"). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 31 December 2017, together with any public announcements made during the following half-year.

These interim financial statements were authorised for issue on 28 February 2018.

### b. Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

The Group has considered the implications of new or amended Accounting Standards, but determined that their application to the financial statements is either not relevant or not material.

### c. Going Concern

The financial statements have been prepared on the going concern basis, which assumes the continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The net loss after income tax for the consolidated entity for the six months to 31 December 2017 was \$424,057, and as at 31 December 2017, total assets exceeded total liabilities by \$34,509.

The company will raise further funds to meet the companies' cash requirements, if and when required. In Dec 17 quarter the company raised \$300,000 in order to continue to review potential opportunities to add shareholder value.

### NOTE 2: CONTINGENT LIABILITIES

There has been no change in contingent liabilities since the last annual reporting period.

### NOTE 3: EVENTS AFTER THE END OF THE INTERIM PERIOD

The directors are not aware of any significant events since the end of the interim period.

### **DIRECTORS' DECLARATION**

In accordance with a resolution of the directors of Bronson Group Limited, the directors of the company declare that:

- 1. The financial statements and notes, as set out on pages 6 to 10 are in accordance with the *Corporations Act 2001*, including:
  - a. complying with Accounting Standard AASB 134: Interim Financial Reporting; and
  - b. giving a true and fair view of the consolidated entity's financial position as at31 December 2017 and of its performance for the half-year ended on that date.
- 2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

### **Auditor's Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the interim financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of Bronson Group Limited's financial position as at 31 December 2017 and its performance for the period ended on that date, and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Bronson Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

### Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Bronson Group Limited is not in accordance with the Corporations Act 2001 including:

- (i) giving a true and fair view of Bronson Group Limited's financial position as at 31 December 2017 and of its performance for the period ended on that date; and
- (ii) complying with AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

### **Material Uncertainty Related to Going Concern**

We draw attention to Note 1 in the financial report, which indicates that the group incurred a loss of \$424,057 for the half year ended 31 December 2017. As stated in Note 1 this event or condition, along with other matters as set forth in Note 1 indicate that a material uncertainty exists that may cast significant doubt about the group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.
