

## Clarification – Lindfield Apartment Project

9 March 2018

---

**Quantify Technology Holdings Limited (ASX: QFY)** ('Quantify Technology' or 'the Company') refers to the announcement dated 2 March 2018 titled "Lindfield Village Project – Amazon Alexa voice-controlled home automation and energy management being commercially delivered".

The Company wishes to clarify that the Company's flagship product – the Q Device – has been installed at the Lindfield apartment project being constructed by Arkibuild Pty Ltd at 43-47 Lindfield Avenue, Lindfield NSW and is not connected to the project known as Lindfield Village. To confirm, the Q Device has not been installed in the project known as Lindfield Village.
