## **CAPITAL RAISING – PLACEMENT & SHARE PURCHASE PLAN**

Greenpower Energy Limited (ASX: GPP, Greenpower) is pleased to announce that it has received commitments for a share placement to raise \$2.0 million before costs (Placement). Capital raised from the Placement and SPP will be used to advance the Turesi Ridge drilling campaign at the Morabisi Lithium project, ensure the existing portfolio of assets is kept in good standing and to augment working capital.

It is anticipated that settlement will occur on or about 20 March 2018 with the new shares to be issued shortly afterwards. The new shares will be issued on the same terms as, and will rank equally in all respects with, the existing fully paid ordinary shares in the Company.

The Company will seek shareholder approval for the issue of the attaching Placement options at a General Meeting of shareholders planned to be held in May 2018. Subject to meeting the ASX's listing requirements the Company will seek to have these options listed if approved by shareholders.

### **Share Purchase Plan**

The SPP is targeted to raise \$0.5 million and will enable existing shareholders to participate in the capital raising at the same issue price as the Placement and without incurring any brokerage fees or other transaction costs. The Directors will be reserving the right to accept subscriptions in excess of \$0.5 million or scale-back applications in line with regulatory obligations.

Eligible shareholders (being those holders of fully paid shares with an address in Australia or New Zealand as at 5.00pm WST on 12 March 2018) will have the opportunity to apply for up to \$15,000 worth of fully paid ordinary shares in the Company. If an eligible shareholder holds shares as a 'custodian' (as that term is defined in ASIC Class Order [CO 09/425]), the offer under the SPP will be made to the 'custodian' and, subject to a number of conditions, the 'custodian' will have the discretion to extend the offer to the relevant beneficiaries.
