PLACEMENT

Korab Resources Ltd ("Korab", or "Company") (ASX: KOR) advises that it has resolved to raise funds by way of a placement of up to 2.5 Mln shares at 2.9 cents each to un-related exempt investors. This placement is to be completed within existing 15% share placement capacity and no shareholder approval is required. The issue price of 2.9 cents per share is approximately 11% below 5 day volume weighted average price and approximately 17% below the last traded price of 3.5 cent per share. The Company used a placement of shares instead of a pro-rata share issue due to the time constraints, the relatively small size of the issue and high cost of conducting a pro-rata issue. There is no commission payable on this placement. Funds will be used for working capital and to reduce debt.
