### **Market Update**

PLC Financial Solutions Limited (**the Company**) wishes to advise that the Board continues to review the Malaysian consumer finance business. The purpose of this extensive review is to provide the Board with answers so that it can make the decisions as to what is best for the Company to move forward.

GGH Financial Group Pty Ltd, a fully owned subsidiary of the Company, is further exploring its options for an Australian Financial Services License (AFSL).

The Company has recently completed a small Placement raising funds totalling \$120,000 (less costs) which will be applied to continue the review of the consumer finance business and meet ongoing compliance costs.

The Company continues to explore other options in the diversified financial services industry including FinTech and Blockchain services to further add to shareholder value.

The Board will continue to keep the market informed.
