Dear Sir/Madam,

EP386 UPDATE

MEC Resources Ltd (ASX: MMR) ("the Company" or "MEC") is pleased to provide an update on the EP386 exploration permit in northern Western Australia.

The Company's investee Advent Energy Ltd holds a 100% interest in EP386 through wholly owned subsidiary Onshore Energy Pty Ltd.

Applications have been made to the Western Australian Department of Mines, Industry, Regulation and Safety (DMIRS) in support of variation, suspension and extension of the petroleum title, and also for recognition of activities above the minimum work commitments registered against the title.

Additionally, the Company anticipates environmental and safety management plans will be submitted to DMIRS in the near future for ongoing on-ground well assessment activities.

Updates will be provided via the ASX platform to all shareholders upon Advent Energy receiving a response by DMIRS to these applications.

Yours Sincerely
