Highlights

- **SRG and Georgiou in Joint Venture awarded \$43.4M contract with RMS for the construction of the Bolivia Hill Upgrade Project**
- **Project involves construction of a new 3 span, 320 metre long bridge and 2.1 kilometres of new road**
- **Project will be delivered under Georgiou SRG Joint Venture in 50/50 partnership**

SRG Limited (ASX: SRG) ("SRG"), a leading complex services company, is pleased to announce that it has been selected to deliver the Bolivia Hill Upgrade Project in joint venture with Georgiou Group for Roads and Maritime Services (RMS) in Bolivia, New South Wales.

SRG will provide the experience and systems to the joint venture project team for the construction of the balanced cantilever bridge.

SRG Managing Director, David Macgeorge commented "This is an important infrastructure project which is focused on improving road safety on the New England Highway."

"We are delighted to work with Georgiou again, in follow up to the Pimlico to Teven Stage 3 project which we have been delivering together in New South Wales".

The project is located 35 kilometres south of Tenterfield in NSW and involves building 2.1 kilometres of new road, a new 320 metre long bridge, wider lanes in each direction and widened road shoulders to improve safety. The project is due for commencement in April 2018 with completion in mid 2020.
