RETRACTION OF ANNOUNCEMENTS

On 7 December 2017 and 19 December 2017, Myfiziq Limited (ASX: MYQ) (**Company**) released ASX announcements both titled “Research Report” (**Announcements**).

Each Announcement included a link to a research report by Red Leaf Securities Pty Ltd appearing on the Company’s website titled:

- “MyFiziq Limited (ASX:MYQ) Achieving Milestones” (linked in the first Announcement); and
- “MyFiziq Limited (ASX:MYQ) Another Win” (linked in the second Announcement), (**Research Reports**).

Each of the Research Reports included tables including 5 year revenue projections for the Company (**Forecasts**).

The Company notes the following regarding the Research Reports:

- the Company commissioned and paid for the Research Reports; and
- there were material errors in the headings in the tables in the Research Reports which included the Forecasts which had the effect of bringing forward the revenue projections by one year.

Following consultation with the ASX, the Company advises that it retracts, without any admission of liability, the Announcements, the Research Reports and the Forecasts (**Retracted Information**). The Company has deleted the links to the Research Reports from its website.

As a consequence of the retraction of the Retracted Information the Company advises that the Retracted Information should be disregarded and that accordingly investors should not rely on the Retracted Information for their investment decisions.
