Dear Wade,

Request for Voluntary Suspension

Wangle Technologies Limited (the **Company**) requests an immediate voluntary suspension of trading in its securities.

In accordance with Listing Rule 17.2, the Company provides the following information in relation to the voluntary suspension request:

- (a) the voluntary suspension is sought to allow the Company to lodge a prospectus and make an application to the Federal Court of Australia seeking declaratory relief and ancillary orders relating to prior trading in certain shares while those shares remained subject to secondary trading restrictions under the Corporations Act 2001 (Cth). While the Company has received no complaints about such sales it intends to rectify the error via an application to the Federal Court;
- (b) the Company requests an immediate voluntary suspension of trading in its securities and anticipates that the suspension should remain in place until the Federal Court Orders are made. Directors hope to be in a position to request the lifting of the suspension for commencement of trading on Monday, 14 May 2018; and
- (c) the Company is not aware of any reason why the voluntary suspension should not be granted.

For and on behalf of the Board of Wangle Technologies Limited
