EXTENSION OF CLOSING DATE OF ENTITLEMENTS ISSUE

Triton Minerals Limited (ASX: TON) (Triton or the Company), advises that it will be extending the closing date for the acceptance of applications for the fully underwritten pro rata non-renounceable entitlement issue announced on 16 March 2018 (Entitlement Issue).

The closing date for the Entitlement Issue is now 5.00 pm (AWST), Friday, 27 April 2018.

The closing date has been extended to allow eligible shareholders additional time to consider the Entitlement Issue and delays experienced by some shareholders in receiving the Entitlement Issue documentation due to the Easter holiday period.

Shareholders that have not received the Entitlement Issue documentation can contact Triton (dedwards@tritonminerals.com) or Computershare (1300 850 505 from within Australia).

The revised timetable is set out below:
