MARCH 2018 QUARTERLY ACTIVITIES REPORT

Haranga Resources Limited ('the Company') provides the following on its activities for the March 2018 quarter.

Acquisition of Mt Windarra Nickel-Cobalt Project ("Project")

As announced on 21 November 2017, the Company entered into a conditional acquisition agreement with Mr Peter Gianni ('Gianni') for the purchase of his 100% right, title and interest in the Project consisting of tenement E39/1996. Completion of the acquisition was subject to certain conditions precedent as follows:

1. Approval and execution of a consolidation of the capital of the Company on the basis of a ratio of 150 for 1;
2. Completion of a pro-rata renounceable rights issue on the basis of 15 shares for every 1 share held at an issue price \$0.02 per share on a post-consolidation basis;
3. Completion of due diligence on the Tenement to the satisfaction of the Company; and
4. All necessary consents, shareholder and regulatory approvals pursuant to the Corporations Act 2001 (Cth), the ASX Listing Rules and any other law being obtained.

A Notice of Meeting was lodged with the ASX on 18 December 2017 convening a General Meeting of Shareholders on 18 January 2018 to approve the requisite resolutions for the acquisition. The Company was placed into a Trading Halt on 18 January 2018 following the adjournment of the General Meeting to 19 January 2018. On 19 January 2018, the Company announced it was unsuccessful in obtaining the relevant shareholder approvals required due to the major shareholder voting against the resolutions and accordingly, the Company's proposed acquisition of the Mt Windarra Project, the consolidation and the rights issue could not be progressed at this stage.

The Company was subsequently placed into Voluntary Suspension on 22 January 2018. The Voluntary Suspension period has been extended by a series of announcements throughout the quarter with the current Voluntary Suspension period to remain in place until the earlier of an announcement in relation to the terms of a potential acquisition or 10 May 2018.

The Directors, together with the Company's corporate adviser, are continuing to assess various recapitalisation opportunities for the Company and will provide an update in due course.
