### **About Dropsuite**

Dropsuite (DSE:ASX) is a global cloud software platform enabling SMBs in over 100 countries to easily backup, recover and protect their important business information. Dropsuite's network of preferred reseller partners has a combined customer reach of millions of small and medium-sized businesses worldwide. Dropsuite's cloud-to-cloud products include email backup, email archiving and website backup. Dropsuite has partnered with some of the biggest names in the web hosting and IT service provider markets such as GoDaddy, Ingram Micro and Crazy Domains to safeguard businesses from the threat of unexpected data loss. Dropsuite was launched in 2012 and is headquartered in Singapore with a sales presence in the US, Europe, Japan, and Australia. <https://dropsuite.com>.
