## Quarterly Report for the period ended 31 March 2018

During the quarter ended 31 March 2018, Viking Mines Ltd (**Viking** or the **Company**) was actively focussed on reviewing new acquisition opportunities.

### 1. Akoase Gold Project (Ghana, VKA 100% - reducing to 0% upon completion of sale)

In June 2015 the Company executed a sale contract for the Akoase Gold Project for an overall transaction value of USD\$10 million, of which USD\$8 million was to be paid in cash.

Viking has previously been paid USD\$5 million in sales proceeds. The remaining USD\$3 million was due by 31 December 2017 with a grace period until 31 January 2018. At the date of this announcement, the USD\$3 million has not been received by the Company. However, the Company expects full receipt of the funds.

Current Akoase sale proceeds summary:

- USD\$5 million – paid to date;
- USD\$3 million – this amount was due to be paid by 31 December 2017. At the date of this announcement, the USD\$3 million has not been received by the Company; and
- a further USD\$2 million via royalties from production.

Once the Company has received confirmation in relation to the payment of the USD\$3 million, the market will be informed accordingly.

### 2. Tumentu Gold Project (Ghana, VKA 100%)

The Company is continuing through the due process with the Minerals Commission to be granted the prospecting licence for Tumentu.

### 3. Berkh Uul Coal Project (Mongolia, VKA 100%)

No on-ground activity on the project during the quarter.

Viking continues to seek resolution relating to changes to boundaries of protected areas affecting the Berkh Uul prospecting license, introduced under Long Name Law in 2010. The Company also continues to investigate its legal options in relation to this matter.

#### **4. Khonkhor Zag Coal Project (Mongolia, VKA 100%)**

No on-ground work was undertaken on the project during the quarter.

Discussions are in progress with potential Joint Venture partners to assist with development of the project.

#### **5. Corporate**

On 1 March 2018, the Company changed its Company Secretary to Mr Dean Jagger. The Company also changed its registered office and principal administrative office to Level 29, 201 Elizabeth Street Sydney NSW 2000.

No other matter or circumstance has arisen since 31 December 2017 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

With cash reserves building from the sale of the Akoase gold project, the board believes Viking is in a strong and unique position to identify and evaluate new value creating opportunities in the mining sector.

The Company continues its review of mineral project farm-in/acquisition opportunities with the objective of acquiring mature exploration assets with potential to deliver long term sustainable cash flow.
