## **Admedus Limited (ASX:AHZ)**

### **FUTURE IN FOCUS AS NEW VP, DEVELOPMENT APPOINTED**

Admedus Limited (ASX:AHZ) is pleased to announce the appointment of Mr Michael Oswell to the newly created role of Vice President, Development. Based in the US, Michael will be responsible for accelerating the product pipeline, including our portfolio of 3D surgical solutions and the TAVR project.

Michael brings extensive experience in the medical technology industry, including senior leadership roles with Guidant Corp. (Boston Scientific) and Medtronic Pty Ltd.

In his most recent role, Senior Program Manager Medtronic (*Cardiac Rhythm & Heart Failure Operations PMO*), Michael was required to develop, coordinate, and drive initiatives which included activities such as, portfolio management, project selection / vetting, tracking and reporting, and setting project management standards across the organisation.

CEO Wayne Paterson welcomed Michael's appointment,

"Michael has a strong track record as a results-driven leader in the medtech environment. He will be an excellent addition to the Admedus leadership team and his technical skill and experience will be an enormous advantage as we look to progress our range of new products in our development pipeline."

"His background in product development for some of the leading companies in the medtech industry will bring invaluable new perspective to our portfolio of development projects."

He holds a Bachelor of Science from the University of Wisconsin, as well as, an Associates of Applied Science Degree and a Pre-Bachelor of Mechanical Engineering.

He will commence as Admedus VP, Development in Minneapolis on 15 May 2018.
