Antilles Oil and Gas NL – Suspension from Official Quotation

Description

The securities of Antilles Oil and Gas NL (the 'Company') will be suspended from quotation immediately, at the request of the Company, following the announcement that the Company has entered into an agreement proposing to acquire 100% of the issued capital of HomeStay Care Pty Ltd (the 'Proposed Acquisition').

The Company's securities will remain suspended until ASX is satisfied that all relevant information required under *Guidance Note 12: Change to Activities* has been announced to the market.

ASX has also exercised its discretions under Listing Rule 11.1.2 to require the Proposed Acquisition to be conditional on approval by the Company's ordinary security holders and under Listing Rule 11.1.3 to require the Company to recompile with Chapters 1 and 2 of the Listing Rules.

If ASX is satisfied that the Company has provided sufficient information to enable its securities to be reinstated and security holders approve the Proposed Acquisition, it is expected that the Company's securities will again be suspended from quotation immediately following such security holder approval and will remain suspended until the Company has recompiled with Chapters 1 and 2 of the Listing Rules.
