MACA Awarded Crushing and Screening Project for BHP

MACA Limited ('MACA') (ASX:MLD) is pleased to advise it has executed a framework agreement to provide crushing and screening services to BHP in the Pilbara region.

The work package to be undertaken will consist of crushing and screening services of lump and fines at Mining Area C (up to 12Mtpa), commencing around October 2018. The contract term is for 3 years plus 2 by 1 year options to extend, and will utilise both new and existing crushing equipment. With additional minor works being undertaken in the Pilbara, the combined value of these works is expected to generate revenues up to \$27.5 million per annum.

MACA Managing Director Chris Tuckwell commented 'MACA would like to thank BHP for the opportunity to work with them. We look forward to a long-standing relationship with BHP, working closely together to ensure mutual success'.
