Dear Mr Allen

The Directors of Sky and Space Global Ltd request that the Company's securities be placed in a voluntary trading halt immediately in accordance with ASX Listing Rule 17.1 pending a material announcement in regards to the Company's completion of a commercial testing program with a potential major customer in the Equatorial Region.

The Company requests that the trading halt end on the earlier of the commencement of normal trading on Wednesday 23 May 2018 or when the announcement referred to above is released to the market.

The Company is not aware of any reason why the trading halt should not be granted, nor of any other information necessary to inform the market about the trading halt, and the Company confirms that the request for a trading halt is material.

Yours faithfully

Brett Mitchell
Executive Director
