ASX And Media Announcement

FATFISH INTERNET SIGNS TERM SHEET TO ACQUIRE 3.45% OF ESPORTS.COM

Highlights

- Fatfish has signed a legally binding Term Sheet with eSports and blockchain company eSports.com and iCandy Interactive Limited, whereby Fatfish Internet will acquire 3.45% of eSports.com
- Fatfish and eSports.com will undertake a share swap, which values Fatfish's iCandy shares at \$0.10
- This investment will give Fatfish shareholders exposure to the worldwide eSports industry

The Board of Fatfish Internet Group Limited ("Fatfish")(ASX:FFG) is pleased to announce that it has entered a legally binding Term Sheet ("Term Sheet") with eSports and Blockchain technology company, eSports.com Group AG ("eSports.com") and iCandy Interactive Limited ("iCandy") (ASX:ICI), whereby Fatfish will acquire 3.45% of eSports.com.

eSports also known as electronic sports, competitive (video) gaming, professional (video)gaming, or pro gaming, is a form of competition using video games. Most commonly, eSports take the form of organized, multiplayer video game competitions, particularly between professional players.

Incorporated in Germany, eSports.com is an eSports and blockchain company and is well positioned for growth with the eSports industry attracting a fan base across Europe, Asia, North and South America of over 380 Million¹ people.

Key Points of the Term Sheet

- Under the Term Sheet, Fatfish will exchange 45.6m of its ordinary shares in iCandy for ordinary shares in eSports.com. The iCandy shares being exchanged by Fatfish are to be valued at AUD\$4.56 million (or AUD\$0.10 per share). The transaction will result in Fatfish owning approximately 3.45% of the total enlarged issued share capital of eSports.com.

www.fatfish.co

- eSports.com agrees to invest USD \$1M (Approximately AUD \$1.32m) into iCandy in exchange for 16.5 million ordinary shares of iCandy, with an issue price of AUD \$0.08 per share. This investment represents 5.18% of iCandy's fully diluted capital structure, which also accounts for the imminent share issue relating to the acquisition of Animoca Brands Ltd, as announced on the 15th of November 2017.
- Upon completion of both transactions, eSports.com will own 19.5% of iCandy.
- eSports.com will appoint one director onto the Board of iCandy to facilitate a close collaboration between the businesses.

After the transactions are complete, eSports.com will work on various strategic business collaborations with both Fatfish and iCandy. iCandy shares were last traded at AUD\$0.06 per share on 6th June 2018.

iCandy's Chairman, Kin Wai Lau commented: "This is an exciting opportunity to partner with an industry leader such as eSports.com. There are strong working synergies between both Fatfish, iCandy and eSports.com and once the transaction is complete, the collaborative working relationship will drive both businesses in a very positive way."

Cautionary Statement - Cryptocurrency Related Business Activities

The Company notes the following in relation to its cryptocurrency-related business activities:

- Investment into cryptocurrencies is high risk in nature as cryptocurrencies are currently highly speculative.
- Cryptocurrency-related businesses have several other risks factors, including but not limited to the following:
 - I. The development of new regulatory framework involving cryptocurrencies
 - II. Cryptocurrencies, cryptocurrency exchanges and its related topics of Initial Coin Offerings ("ICO") have raised regulatory issues across multiple jurisdictions. A number of regulators have issued guidance on the relevance of their existing securities and financial services laws with regards to ICOs that have underlying cryptographic tokens that are securities or investment in nature.
 - III. In many countries cryptocurrencies are subject to anti-money laundering and counter-terrorism funding legislations. For its cryptocurrency-related business activities the Company will always endeavour to the best of its ability to ensure that the Company comply with relevant local in-country regulatory requirement.
