

ASX ANNOUNCEMENT/MEDIA RELEASE

28 June 2018

Baraka Capital Raising

Baraka Energy & Resources Limited (ASX:BKP) (Baraka or the Company) is pleased to advise that, as a result of GTT Ventures Pty Ltd (GTT) not accepting the opportunity of placing the additional facility available under the 15% rule available to the Company under ASX listing rule 7.1 on 5 May 2018 under their mandate, Baraka has now placed 50,000,000 of those shares at the same price of \$0.002 for \$100,000 less fees in accordance with ASX listing rule 7.1.

These funds will be used, together with other funds, for the occupation fees, renewal fees and additional exploration funding of the Iron Sands venture under a secured loan agreement over extremely prospective Iron Sands permits as released to the market over the last 5 years, and for the initial work on the EP127 Oil & Gas permit in the Northern Territory in regards to the potential Helium, as well as for working capital.

Immediately, after the placement in May 2018, Baraka entered into discussions with a number of parties including Chinese investors in regards to taking this placement at the price of \$0.002, which GTT elected not to place.

Those discussions have resulted in the placement of this 50m shares to a Chinese investor with considerable interest by other Chinese investors in investing in Baraka, including interest in the Iron Sands project.

Those discussions are ongoing and the Directors will continue to have discussions with them and their representative.

Further details regarding the placement are set out in the accompanying Appendix 3B
