# **Appendix 3B**

29 June 2018

Dear Shareholders,

Carnarvon Petroleum Limited ("Company") has a shareholder approved Employee Share Plan ("ESP") which is used by the Board of Directors of the Company ("the Board") to provide long term incentives for executives and employees to share in the ownership of Carnarvon in order to:

- Provide a strategic and value based reward for those who make a contribution to that success;
- Align executives and employees' interests with the interests of shareholders;
- Promote the retention of executives and employees; and
- Promote the long-term success of the Company.

The Board's determination of entitlement under the ESP as at 30 June 2018 was based on:

- the Company's share price performance relative to a group of peer companies for the year to 30 June 2018; and
- on meeting a number of measurable strategic and value based targets linked to the five year plan.

The targets outlined above that were achieved in the 30 June 2018 financial year included:

- Securing new projects to mature under the Company's farm-out model;
- Completing technical work and maturing drill ready prospects;
- Maturing the Phoenix project and its contingent and prospective resources;
- Progressing to drill the Buffalo-10 well;
- Appropriate staff development, retention and cultural performance;
- Maintaining good governance practices; and
- Ensuring strong financial management and cost controls.

In recognising that the above provide longer term value to the Company's share price, the Board approved:

- an issue of 6,549,416 ESP shares to 14 executives and employees who made a contribution to meeting these targets; and
- an issue of 1,238,108 ESP shares to the Company's Managing Director, Mr Adrian Cook on the same terms as above following shareholder approval at the Company's 2018 Annual General Meeting.

The ESP shares were priced at 16.5 cents per share, being the scheme prescribed premium of 20% to the current Carnarvon share price.

The ESP requires no cash outlay by the Company when the shares are issued, but will generate cash for the Company if the executives and employees pay Carnarvon 16.5 cents per share after the shares vest. The ESP shares vest over a five year period, with no ESP shares vesting within the first two years of issue.

The structure of the Employee Share Plan means that the only value to Carnarvon executives and employees is the amount by which the share price in the future exceeds 16.5 cents.

## Yours faithfully
