

DAMAC PROPERTIES GLOBAL REFERRAL AND FINDERS AGREEMENT

Sydney, 4th July 2018:

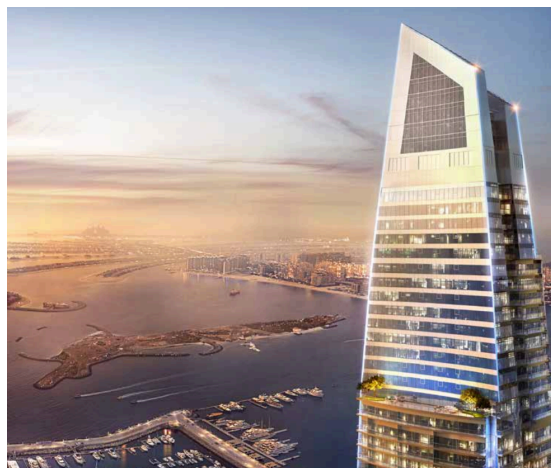

Property Connect is excited to announce that it has entered into a Global referral and finders agreement with Damac Properties, one of the largest private developers in the UAE. Under the agreement, Property Connect will promote and sell Damac's entire portfolio of developments in the Gulf Cooperation Council countries (GCC) and UK on the company's Live Offer auction platform.

CEO of Property Connect, Darren Patterson, said: "This is an amazing opportunity for Property Connect. Dubai is hosting the World Expo in 2020, and the level of investment in infrastructure and real estate development in the region is unprecedented. This presents a unique moment in the property cycle for investors and real estate developers, and Property Connect is very fortunate to be the only Australian company to be engaged by Damac. We are very excited to be working with Damac and the opportunity to utilise the Live Offer auction platform in such a dynamic environment."

Damac is one of the largest private developers in the UAE and has established relationships with global leading luxury brands including Fendi, Bugatti, Paramount Studios, Trump, Cavalli, Versace and Tiger Woods. Damac's properties range from investment grade studios to luxury apartments and villas within entire communities providing services ranging from shopping malls, schools, medical centres and sporting facilities such a golf resort living. Damac also provides market leading financing, instalment plans and rental yield guarantees.

The agreement is for an initial 12 month term, to be renewed annually, on commission terms customary with its other global partners. Property Connect will work immediately to establish local sales operations to support the anticipated transaction flow. Both companies have agreed, in due course, to explore leveraging the Live Offer rental platform, which could be utilised on Damac's owned and managed property portfolio covering hotels and resorts.
