ASX ANNOUNCEMENT VIN sales continue

NetLinkz Limited (ASX:NET) (**Company** or **NetLinkz**) advises that it has achieved 6500 VIN sales in the June quarter. The total number of VINs now sold is 11500 which represents an increase of greater than 100% quarter on quarter. Strategically, sales activity remains limited to the one district in Wuxi (out of 10 available districts).

Executive Chairman James Tsiolis stated "China Telecom is continuing to refine both the sales process and the integration of Netlinkz' technology into cloud bundle sales. We have demonstrated that the Netlinkz VIN is key to selling cloud services to SMEs".

Netlinkz is now reviewing candidate organisations for the role of national training and recruitment to work with China Telecom and Netlinkz for the roll out of VIN to 13 cities in Jiangsu followed by the rest of China.

Netlinkz Director of China Operations Ms Xiaowen Shi is working with Mr Yang Chuan conducting this review.

The company anticipates expansion into two more cities, Suzhou and Nanjing, in October 2018.
