Information for Industry

Q3 – 18 Update

July 2018

www.aspermont.com

Who we are

Leading Digital Media Services Provider to Industry

Aspermont is an International ASX listed company with offices in Australia, UK, Brazil and USA

The Company's focus is on global media leadership in the Mining, Agriculture, Energy and Technology sectors

The company has spent the last 20 years building a commercial model for B2B media that is founded on utilising highest value content to build premium rate subscription audiences and made scalable through its new tech platform

Aspermont is now the dominant player in B2B media for the resources sector and can transport its model to other countries and other B2B sectors

Large lifts in all Key metrics (ACV & LTV)

New events business launched this year

Rationale for new Events Business

7

- Aspermont has 20 years experience of delivering profitable event series
- Our strategy extends the principles of highest quality content with exceptional user experience
- Events provide a logical commercial leverage of existing core business assets (.ie. audience and clients)
- Forward cash flow generation and revenue visibility
- Highly scalable and profitable when in sweet spot
- Capability to be many times larger than traditional publishing business
- Our existing media brands can compete and win against event-only business competitors

How the new events business developed so far

Aspermont Events – Highly Successful Launch

Forward-looking standard elements

This presentation may include forward-looking statements. Such statements can generally be identified by the use of words such as 'may', 'will', 'expect', 'intend', 'plan', 'estimate', 'anticipate', 'believe', 'continue', 'objectives', 'outlook', 'guidance', 'forecast' and similar expressions. Indications of plans, strategies, management objectives, sales and financial performance are also forward-looking statements.

Such statements are not guarantees of future performance, and involve known and unknown risks, uncertainties, assumptions, contingencies and other factors, many of which are outside the control of Aspermont Limited (**Aspermont** or **Company**). No representation is made or will be made that any forward-looking statements will be achieved or will prove to be correct. Actual results, performance, operations or achievements may vary materially from any forward-looking statements. Circumstances may change and the contents of this presentation may become outdated as a result. Readers are cautioned not to place undue reliance on forward-looking statements and Aspermont assumes no obligation to update such statements.

No representation or warranty, expressed or implied, is made as to the accuracy, reliability, adequacy or completeness of the information contained in this presentation.

Past performance

Past performance information given in this presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

Information is not advice or offer of securities

This presentation is not, and is not intended to constitute, financial advice, or an offer or an invitation, solicitation or recommendation to acquire or sell Aspermont shares or any other financial products in any jurisdiction and is not a prospectus, product disclosure statement, disclosure document or other offering document under Australian law or any other law. This presentation also does not form the basis of any contract or commitment to sell or apply for securities in Aspermont or any of its subsidiaries. It is for information purposes only.

Aspermont does not warrant or represent that the information in this presentation is free from errors, omissions or misrepresentations or is suitable for your intended use. The information contained in this presentation has been prepared without taking account of any person's investment objectives, financial situation or particular needs and nothing contained in this presentation constitutes investment, legal, tax or other advice. The information provided in this presentation may not be suitable for your specific needs and should not be relied up on by you in substitution of you obtaining independent advice. Subject to any terms implied by law and which cannot be excluded, Aspermont accepts no responsibility for any loss, damage, cost or expense (whether direct, or indirect, consequential, exceptional or special damages including but not limited to loss of revenue, profits, time, goodwill, data, anticipated savings, opportunity, business reputation, future reputation, production or profit, any delay costs, economic loss or damage) incurred by you as a result of any error, omission or misrepresentation in this

presentation.

Preparation of information

All financial information has been prepared and reviewed in accordance with Australian Accounting Standards. Certain financial data included in this presentation is 'non-IFRS financial information'. The Company believes that this non-IFRS financial information provides useful insight in measuring the financial performance and condition of Aspermont. Readers are cautioned not to place undue reliance on any non-IFRS financial information including ratios included in this presentation.

Presentation of information

Currency All amounts in this presentation are in Australian dollars unless otherwise stated.

FY refers to the full year to 30 June.

Rounding Amounts in this document have been rounded to the nearest \$0.1m. Any differences between this document and the accompanying financial statements are due to rounding.

Third party information and market data

The views expressed in this presentation contain information that has been derived from publicly available sources that have not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of the information. This presentation should not be relied upon as a recommendation or forecast by Aspermont. Market share information is based on management estimates except where explicitly identified.

No liability or responsibility

The information in this presentation is general in nature and is provided in summary form and is therefore does not purport to be complete.

To the maximum extent permitted by law, Aspermont and each of its affiliates, directors, employees, officers, partners, agents and advisers and any other person involved in the preparation of this presentation disclaim all liability and responsibility (including without limitation, any liability arising from fault or negligence) for any direct or indirect loss or damage which may arise or be suffered through use or reliance on anything contained in, or omitted from, this presentation. Aspermont accepts no responsibility or obligation to inform you of any matter arising or coming to their notice, after the date of this presentation, which may affect any matter referred to in this presentation.

This presentation should be read in conjunction with Aspermont's other periodic and continuous disclosure announcements lodged with ASX.
