

ASX Announcement

3 August 2018

RETRACTION OF ANNOUNCEMENT / PRESENTATION

On 31 July iSynergy Group Ltd (the "Company", "iSYNERGY" or "IS3") released ASX announcement titled "Investor Presentation" (Announcement).

The investor presentation included a Affiliates and Advertisers Forecast on **page 11** including a 3-year projection. (**Forecast**).

Following consultation with the ASX, the Company advises that it retracts the Forecast (Retracted Information), without any admission of liability.

The Company will reissue a revised copy of the Investor Presentation dated 6 August 2018. The reissued presentation also includes further source details for the information on slides 3 and slides 4.

As a consequence of the retraction the Company advises that the Retracted Information should be disregarded and that accordingly investors should not rely on the Retracted Information for their investment decisions.

On behalf of the board

Ilmars Draudins
Chairman
