CLOSURE OF SMALL SHARE PARCEL SALE FACILITY

Orminex Limited ('the Company') is pleased to announce that the small share sale facility ('Facility') for holders of fully paid ordinary shares in the Company valued at less than \$500 ('Small Share Parcel') closed on 6 August 2018.

The Company provided the Facility to enable Small Share Parcels to be sold without the shareholder incurring any brokerage or sale costs. The Facility also allows the Company to reduce the administrative costs associated with maintaining Small Share Parcels.

As at market close on 21 June 2018 ('Record Date'), a Small Share Parcel comprised 4,545 or fewer Shares based on a closing price of \$0.11 per share. As such, there were 1,645 Shareholders with a Small Share Parcel at the Record Date.

The final number of shares eligible to be sold under the Facility is 83,991 ordinary shares from 1,567 holders. On completion of the sale, sale proceeds will be paid in Australia dollars via a direct credit to an Australian Financial Institution bank account (where details have been provided) or by cheque to the postal address of the relevant holder as recorded in the Company's share register.

Yours sincerely
