Chairman's Letter

Dear Shareholder

I am pleased to present Cape Range Limited's (the **Company**) Half Year Report for the 6 months ended 30 June 2018.

As the report shows, your Company incurred a small operating loss for the period as the Company focussed on finalising the development of its cloud based accounting software package. As at 30 June 2018, the Company retained a strong cash balance of \$4.8M.

The results achieved during the half year represent further progress and follows last year's very successful ASX listing that occurred on 30 November 2017. The results are most satisfying and provide a foundation for future growth, particularly in terms of demonstrating Biztrak's management's credibility to deliver. I believe that this sentiment precipitated the market response to the Company's announcement on 10 July 2018, when it was announced that Phase 1 of the Company's cloud based accounting software applications, software as a service (SaaS), had been delivered on time and in accordance with the Company's prospectus.

As you may be aware, shortly following that announcement there was a surge in the market price of the Company's securities that included independent sector commentaries such as Morning Star's market analytics on 21 July 2018. Further rapid share price appreciation followed. Whilst this was very gratifying, it resulted in the ASX issuing price and volume queries on 16 July, 23 July and 30 July 2018. On 30 July 2018, ASX imposed a suspension in the trading of the Company's securities, pending further queries.

It goes without saying that your Company's Board has fully and proactively assisted the regulatory authorities with their enquiries and will continue to do so. I confirm that your Company has been fully compliant with its disclosure obligations and is <u>not aware</u> of any information which would otherwise explain this recent trading history.

Together with our shareholders, the Board feels the frustration of having the Company's securities placed in a protracted suspension whilst the regulatory authorities continue their investigation.

On behalf of the Board, I wish to express our very sincere gratitude for the enormous support of our staff and most importantly the enormous support that our shareholders have given since our listing on 30 November 2017.

Wayne Johnson Chairman

Directors' Report

The Directors submit their report on Cape Range Limited (the "Company" or "CAG") for the half year ended 30 June 2018.

In order to comply with the provisions of the Corporations Act 2001, the Directors' Report as follows:

Directors

Mr Wayne Johnson (Non-Executive Chairman)

Mr Michael Higginson (Non-Executive Director)

Mr Gary Lim (Non-Executive Director)

Review and Results of Operations

The loss after tax for the half year ended 30 June 2018 attributable to the members of the Company was \$35,096 (30 June 2017: profit \$116,706). The loss for the half year ended 30 June 2018 was mainly attributable to its focus on finalising the development of its cloud based accounting software package.

On 13 March 2018, Mr Raja Ahmad Raja Jallaludin was appointed as a Director.

Subsequent Events

On 10 July 2018, the Company announced the completion of Phase 1 of the Company's cloud based accounting software as a service (SAAS) applications package. As a consequence of the attainment of Phase 1 of the cloud based accounting software package, 10,000,000 performance rights were converted into 10,000,000 fully paid ordinary shares. The Company's management is in the process of completing the formal launch of the SAAS products to the market.

There has not been any other matter or circumstance, that has arisen since the end of the half year, that has significantly affected, or may significantly affect, the operations of the Company, the results of those operations, or the state of affairs of the Company in future financial periods.

Auditor's Independence Declaration

The auditor's independence declaration for the half year ended 30 June 2018 has been received and can be found on page 14.
