

Dear Shareholder,

Resolute has approved the payment of a 2.0c per share dividend for FY18

Your dividend payment of 2.0c per share will be paid to you, in either cash or in gold, on 12 October 2018. The dividend payment to all shareholders will total A\$14.8 million which equates to 3.3% of Resolute's FY18 sales revenue of A\$446 million.

Resolute continues to generate positive cash flows and returns to shareholders while making significant investments in major development activity across our asset base. Resolute is in a strong position to deliver further growth which will generate greater gold production at a higher margin resulting in increasing cashflows, larger profits and greater dividends for our shareholders.

If you held 5,000 or more Resolute shares on the Record Date of 3 September 2018, you can elect to receive your dividend payment in GOLD by opening an account with The Perth Mint and completing the enclosed form. To receive the upcoming dividend payment in GOLD, your account with The Perth Mint must be open by 1 October 2018. Opening an account is a quick and easy process. Go to www.perthmint.com/storage/resolute or call +618 9421 7250. If you elected to receive last year's dividend in gold and continue to hold more than 5,000 shares, you will again receive your dividend in gold unless you notify Resolute's Share Registry, Computershare Investor Services Pty Ltd (Computershare) to the contrary. You will then have the opportunity to securely hold and trade gold bullion investments online. You will also be able to sell all or part of your gold balance and have the proceeds deposited into your bank account and at any time elect to convert from unallocated to allocated gold and take physical delivery of all or part of your gold account balance.

You can make an election to receive this dividend and future dividends wholly or partially in gold as long as the gold component is for a minimum of 5,000 shares. If you wish to take only part of your dividend in the form of gold, you will need to state the number of shares that will be subject to the gold dividend. This election will remain in place for future dividends and can be changed at any time by notifying Computershare. If no election is made or you held less than 5,000 shares, you will receive your Resolute dividend as a cash payment into your nominated bank account. Please provide your Australian bank details, tax file number and email address to Computershare via www.investorcentre.com/au.

We look forward to delivering consistent dividend returns and long-term value to you.

The gold equivalent of the cash dividend will be calculated by reference to the London AM fix USD gold price on 8 October 2018 converted at the USD:AUD Hedge Settlement Rate at 2pm AWST on that day.

As far as Resolute is aware, the election to receive a dividend in gold, as opposed to cash, does not change the tax treatment of the dividend payment amount. However, subsequent movement in the value of the gold may have a taxation effect on future related gold transactions. Shareholders are encouraged to seek tax advice specific to their circumstances.
