

14 September 2018

Dear Shareholder

### Invitation to Participate in Share Purchase Plan

On 6 September 2018, Pantoro Limited (ACN 003 207 467) (**Company**) announced that it had received firm commitments from sophisticated and professional investors for a placement of fully paid ordinary shares at a price of \$0.20 per share, to raise approximately \$13,000,000 (**Placement**). The announcement also included notice of the Company's intention to offer eligible shareholders in the Company the right to participate in a share purchase plan to subscribe for additional shares in the Company (**SPP**).

The Board of Directors of the Company is now pleased to make the SPP offer to eligible shareholders pursuant to this letter and the enclosed terms and conditions (**Terms and Conditions**).

Under the SPP, the Company is giving each Eligible Shareholder the opportunity to purchase up to \$15,000 worth of fully paid ordinary shares in the capital of the Company (**Shares**), at the same price as Shares were offered under the Placement (i.e. \$0.20 per Share), irrespective of the size of their shareholding, without incurring brokerage or transaction costs (**Offer**).

The funds from the Placement and the Offer will be used towards:

- Acceleration of development activities at the newly established Wagtail underground mine. Maximisation of early production from Wagtail facilitates the targeted expansion of Pantoro's operations at Halls Creek to above 80,000 ounces per annum during the 2019 calendar year (approximately \$4 million).
- Acceleration of exploration activities at the Grants Creek Project. The company recently received the required approvals to commence on-ground works, and drilling is to commence early in September 2018 (approximately \$3 million).
- Continuing exploration at the Mary River and Nicolson's Projects during the capital-intensive phase in the establishment of the Wagtail underground mine (approximately \$3 million).
- Maintaining sufficient working capital and balance sheet flexibility (up to approximately \$5 million, less the costs of issue).

To the extent the Company accepts over-subscriptions under the Offer, these additional funds are intended to be allied towards general working capital.

The right to participate under the SPP is optional and is available exclusively to shareholders who are registered as holders of Shares at 5.00pm AEST on 5 September 2018 and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

The Offer will open on 14 September 2018 and will remain open for subscription until 28 September 2018.

The Company intends to raise \$2 million from the Offer but reserves the right to accept to raise an additional \$1 million from the Offer.

If the Offer is oversubscribed, the Company may in its absolute discretion, scale back applications (see the Terms and Conditions for further details).

The Offer under the SPP is made in accordance with Australian Securities and Investments Commission (ASIC) Class Order 09/425. Pursuant to this Class Order there are limitations on the amount that can be invested if you hold Shares in more than one capacity, unless you are applying as a Custodian (in which other requirements apply). Please read the Terms and Conditions in full before applying for Shares under the Offer.

All new Shares issued under the Offer will rank equally with existing Shares from the date of issue and carry the same voting rights, dividend rights and other entitlements as existing Shares.

Your personalised Application Form is enclosed and I encourage you to read and consider carefully the Terms and Conditions of the SPP that follow. If you do not wish to participate in the Offer, you do not need to take an action.

Please note that the Company's share registry is managed by Computershare and SPP applications and enquires should be directed to Computershare using the contact details shown in the Application Form.

Thank you for your continued support.

Yours faithfully

## Shareholder Share Purchase Plan – Offer Booklet Terms and Conditions

### 1. Offer

- (a) This Offer entitles each Eligible Shareholder in Pantoro Limited (ACN 003 207 467) (**Company**) to subscribe through the Company's Share Purchase Plan (**SPP**) for a maximum of \$15,000 worth of fully paid ordinary shares in the Company (**Shares**) (when combined with any shares issued under any share purchase plan in the 12 months preceding the date of the SPP – the Company has not issued a share purchase plan in the last 12 months) at an issue price of \$0.20 per Share without incurring brokerage in accordance with the following terms and conditions (**Offer**). The method for determining the Price is to base it on the same price as Shares were offered to sophisticated and professional investors under the Placement (referred to in the covering letter to which these Terms and Conditions are attached).
- (b) In respect of the relationship between the issue price under the Offer and the market price of Shares, the issue price under the SPP will be at a discount of 16.39% to the average market price for the Shares over the last five (5) days on which sales in the shares were recorded on the financial market operated by ASX Limited (**ASX**) before the day on which the issue was announced (which was on 6 September 2018), being \$0.20 (**Price**).
- (c) On the last trading day immediately prior to the announcement date of the Offer (which was on 3 September 2018), the closing price of the Shares traded on ASX was \$0.215. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your application under the Offer.
- (d) All Shares issued under the SPP will rank equally with existing fully paid ordinary shares from the date of issue, and carry the same voting rights, dividend rights and other entitlements as existing Shares.
- (e) The SPP is established pursuant to the *Corporations Act 2001* (Cth) as amended by Australian Securities and Investment Commission (**ASIC**) Class Order [CO 09/425] (**CO 09/425**) and the ASX Listing Rules. Compliance with CO 09/425 exempts the Company from having to issue a disclosure document (e.g. prospectus) for the offer of the Shares. This SPP is intended to be a "Purchase Plan" for the purposes of CO 09/425 and is to be read and construed and administered in a manner which causes the SPP to qualify and satisfy the requirements of a Purchase Plan under CO 09/425. The issue of the Shares under the Offer falls within ASX Listing Rule 7.2 (exemption 15) and consequently those Shares issued will not count towards the Company's 25% placement limit under ASX Listing Rules 7.1 and 7.1A.
- (f) The SPP is governed upon such terms and conditions as the board of directors of the Company, in its absolute discretion, sees fit (subject to compliance with CO 09/425 and the ASX Listing Rules).
