## Supplementary Prospectus

### Important information

This is a supplementary prospectus (**Supplementary Prospectus**) intended to be read with the prospectus dated 31 July 2018 (**Original Prospectus**) issued by Australian Mines Limited ABN 68 073 914 191 (**AUZ or Company**).

This Supplementary Prospectus is dated 14 September 2018 and was lodged with ASIC on that date. Neither ASIC nor ASX take any responsibility as to the contents of this Supplementary Prospectus.

This Supplementary Prospectus is a "refresh document" as defined in section 724(3H) of the Corporations Act, as inserted by ASIC Corporations (Minimum Subscription and Quotation Conditions) Instrument 2016/70 (**Instrument**).

This Supplementary Prospectus should be read together with the Original Prospectus. Other than the changes set out in this Supplementary Prospectus, all other details in relation to the Original Prospectus remain unchanged. To the extent of any inconsistency between this Supplementary Prospectus and the Original Prospectus, the provisions of this Supplementary Prospectus will prevail. Unless otherwise indicated, terms defined and used in the Original Prospectus will have the same meaning in this Supplementary Prospectus.

**The Directors believe that the changes in this Supplementary Prospectus are not materially adverse from the point of view of an investor. Accordingly, no action needs to be taken if you have already subscribed for the New Share under the Original Prospectus.**

### 1. SUPPLEMENTARY PROSPECTUS

#### 1.1 Reasons for this Supplementary Prospectus

This Supplementary Prospectus has been issued for the purposes of:

- (a) extending the Closing Date of the Offer (see Section 2.5 below);
- (b) advising that at the date of this Supplementary Prospectus the Company has not applied to ASX for quotation of the New Share under the Offer;
- (c) refreshing the period under section 723(3)(a) of the Corporations Act to make an application to ASX for the admission of the New Share under the Offer within seven (7) days of this Supplementary Prospectus in accordance with section 723(3G)(d) of the Corporations Act, as inserted by the Instrument;
- (d) advising that at the date of this Supplementary Prospectus, the New Share has not been admitted to quotation on ASX;
- (e) refreshing the period under section 723(3)(b) of the Corporations Act to admit the New Share under the Original Prospectus to ASX for quotation from three (3) months from the date of the Original Prospectus to three (3) months from the date of this Supplementary Prospectus in accordance with section 724(3G)(d) of the Corporations Act, as inserted by the Instrument; and
- (f) advising that at the date of this Supplementary Prospectus, the Company has not issued any securities pursuant to the Original Prospectus.

In accordance with section 723(3) of the Corporations Act, if a person offers securities under a disclosure document such as a prospectus, and the disclosure document states or implies that the securities will be quoted on a financial market such as the ASX, and the securities are not then admitted to quotation within three (3) months after the date of the disclosure document, the issue of securities is void and any application money has to be returned to the applicants.

By the issue of the Instrument, ASIC has varied the Corporations Act to allow companies to refresh the timing of minimum subscription and quotation conditions (if any), to commence from the date of a refresh document (i.e. this Supplementary Prospectus), such that the seven day application condition and the three month periods are taken to commence from the date that the refresh document is lodged with ASIC. The Instrument imposes a number of requirements as to the content of the refresh document and on the company issuing the refresh document. This Supplementary Prospectus addresses those requirements.

## **2. Specific disclosures required by the Instrument**

### **2.1 Withdrawal rights**

Any Applicant who, prior to the date of this Supplementary Prospectus, has lodged an Application for the New Share will receive a copy of this Supplementary Prospectus.

An Applicant who wishes to withdraw their Application and obtain a refund of Application Money must submit a written request to the Company at the address set out below so that it is received within one (1) month of the date of this Supplementary Prospectus (i.e. by close of business on 14 October 2018) (**Withdrawal Period**):

### **2.4 Quotation condition**

The Company intends to apply to ASX within seven (7) days of the date of this Supplementary Prospectus for ASX to grant official quotation of the New Share offered by the Original Prospectus.

As at the date of this Supplementary Prospectus, quotation of the New Share remains subject to successful completion of the Offer and satisfaction of all other outstanding conditions to the Offer, as specified in the Original Prospectus. This remains unchanged.

ASX has neither indicated that the New Share offered under the Offer will not be admitted to quotation, nor that the securities will be admitted to quotation subject to certain conditions being satisfied. The Company expects that ASX will, in due course, set such conditions, but the Company expects to be in a position to satisfy those conditions.

Upon lodgement of this Supplementary Prospectus, and subject only to the lodgement of any future refresh document, the quotation condition must be satisfied by 14 December 2018, being three (3) months after the date of this Supplementary Prospectus.
