

18 September 2018

Dear Optionholder,

**EDEO OPTIONS LAST DAY OF TRADING**

The Company has been advised by the ASX that **the last day of trading of the EDEO options is 24 September 2018 (at end of trade)** and not 25 September 2018 as previously stated in the letter to options holders on 21 August 2018.

This does not affect the option expiry date. The options still expire on 30 September 2018.

Yours faithfully

Aaron P Gates  
Company Secretary
