## Media Release Clarification

King River Copper Limited (ASX: KRC) refers to the article in the Financial Review today titled "Vanadium discoveries a battery game changer".

King River Copper wishes to clarify that the outcomes of current Scoping Studies are still to be completed and investors should await the release of this information.

Scoping on the Vanadium, Titanium, Iron and the Fluorspar projects is expected in the coming weeks.

Subject to JORC, ASIC and ASX policies, these studies would provide a more accurate guide towards production targets, revenues, and forecast financial information.
