
CRICKS TWEED TO LAUNCH WITH DRIVEMYCAR

Collaborate Corporation Limited (ASX:CL8) (**Collaborate** or the **Company**) is pleased to announce that Cricks Tweed is the latest automotive dealer to provide vehicles for rental via DriveMyCar.

The Cricks Tweed dealership is situated in an ideal location to service the important Tweed Heads/Coolangatta and Gold Coast regions, combining potential demand from tourists, residents, local businesses and Uber drivers.

Cricks Tweed sells both new and used cars with a focus on Mitsubishi, Subaru and Renault brands and is part of the Autopact Group, one of Australia's largest automotive dealership groups comprising 28 dealerships representing 19 of the top 20 automotive brands in Australia.

DriveMyCar's dealer rental campaign aims to secure supply of vehicles from automotive dealers in key locations across Australia. Cricks Tweed is one of the first dealerships to confirm their participation, of the numerous dealers that have responded to the campaign. DriveMyCar looks forward to announcing further dealerships in key locations upon finalisation of agreements.

Automotive dealers are expected to become a significant provider of vehicles to the DriveMyCar fleet under the traditional rental model, as well as contribute a large component of vehicles for the planned subscription offering.

Collaborate CEO, Chris Noone commented "Cricks Tweed is an ideal partner for DriveMyCar with a range of quality vehicles in close proximity to key demand opportunities from the tourism, consumer and business markets. We look forward to a successful relationship with Cricks Tweed and engaging further with the Autopact Group in the future."

Vehicles will be available for rental from Cricks Tweed by 12 October.
