Dear Isabelle

Trading Halt

Pursuant to ASX Listing Rule 17.1 New Energy Mineral Limited (previously Mustang Resources Limited) (**New Energy Minerals** or the **Company**) (ASX Code: **MUS**) requests that an immediate trading halt be put on its securities, pending an ASX announcement.

In accordance with Listing Rule 17.1, the Company advises:

- a) the reason for the trading halt is to facilitate an orderly market in the Company's securities pending an announcement in relation to a material scoping study report;
- b) the trading halt is to last until the earlier of the Company releasing an announcement or the commencement of trade on 11 October 2018. We expect that the trading halt will be ended by the Company making an announcement of the kind referred to above; and
- c) the Company is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Please call the undersigned if you have any queries in relation to this request.

Yours faithfully

Robert Marusco
Company Secretary
