

TROY RESOURCES LIMITED

# ASX ANNOUNCEMENT

12 October 2018

## EXCELLENT GOLD PRODUCTION CONTINUES IN SEPTEMBER 2018 QUARTER

Troy Resources Limited (**ASX: TRY**) (**Troy** or the **Company**) is pleased to advise that the Karouni operation in Guyana has achieved **gold production of 18,991 ounces** for the **September 2018 quarter**.

Production for the September 2018 quarter production was again in excess of budget despite a slow start to the financial in July which was below budget due to mill maintenance reducing throughputs. The September quarter was only slightly lower (3%) than the 19,510 ounces produced in the June 2018 quarter despite the issues encountered in July. This also compares with 12,885 ounces produced in the September 2017 quarter.

Troy Managing Director, Mr Ken Nilsson, said today:-

*“Despite an slow start to the quarter and the year, the operational team has put together another excellent quarter which is again in excess of budget.”*

The Company will release its September 2018 Quarterly Report to the market in late October 2018.
