

ASX/Media Release

12 October 2018

Unsecured Loan and ASX Listing Rule 7.1

Venturex Resources Ltd (“the Company” or “Venturex”) has been advised by the ASX that it considers a breach of ASX listing Rule 7.1 has occurred in relation to the Company entering into a loan agreement for \$2m.

On the 12 September 2018 the Company entered into a loan agreement for A\$2 million for a 12 month term, with a condition that the loan can be repaid in either cash or shares at Northern Star Resources Limited (“NST”) election. The repayment can be repaid in VXR shares, being at the same price as any rights issue or placement conducted by VXR, before the loan is repaid, or in the absence of a capital raising, at an issue price equal to the 10 day VWAP of VXR shares prior to the date of the repayment notice.

The ASX has advised the Company that it considers the unsecured \$2m loan agreement, with a 12 month term and payable in either cash or conversion into Venturex shares, with no fixed floor prices, as a breach of Listing Rule 7.1, due to the number of shares that the loan may converted into if elected to be repaid in securities is unclear at the time of issue.

The Company believed that the terms of the loan agreement were sufficient to ensure that compliance with Listing Rule 7.1:

- The Company has at no time issued any shares or more shares than it has available capacity under listing rule 7.1
- It has at all times been a term of the loan that the Company is not obliged to convert the loan into shares if the Company does not have the available capacity under listing rule 7.1; and
- The Company would only issue the shares under the terms of the loan if it had the Listing rule 7.1 capacity.

The Company has had several discussion with the ASX and had agreed to address its concerns by making this announcement and retaining the loan in its calculation of the used capacity under the Listing Rule 7.1 for a period of 12 Months. This means that the full amount of shares that would have been calculated at the date of the loan, being 12 September 2018, of 12,500,000 shares needs to remain in its calculation of used capacity under Listing Rule 7.1 for 12 months from the date of the loan and cannot be ratified by shareholders. Attached is an Appendix 3B to reflect these changes.

The Company believes that this determination has no impact on its ability to implement its business strategy or the availability of further funding raising.
