Dear James

Troy Resources Limited (Troy) - Request for Trading Halt

In accordance with Listing Rule 17.1, Troy requests that an immediate trading halt be placed on the Companies securities pending the release to the market of an operational update on matters relating to the Karouni Mine in Guyana.

Troy anticipates that that trading halt will be lifted on the earlier of the commencement of normal trading on 17 October 2018, or when an announcement is made to the market on the results of the meeting.

Troy is not aware of any reason why the trading halt should not be granted or any information necessary to inform the market about the trading halt.

Yours sincerely
