

## ASX ANNOUNCEMENT

18 October 2018

### KEY MANAGEMENT APPOINTMENTS

---

Greenpower Energy Limited (ASX:GPP) is pleased to announce the appointments of **Andrew Jones** to the position of Exploration Manager, and **Andrew Mounas** to the position of Commercialisation Director, Fertiliser Business.

**Andrew Jones** has more than 20 years' experience as a geologist in the resources sector and has worked throughout Australia, in West Africa, Southern Africa and South America. He has experience in a range of mineral commodities and has been involved in the discovery of new mineral deposits, extensions to known mineral resources at operating mine sites and has been involved in several feasibility studies for commodities including gold, copper and nickel-cobalt. Mr Jones has a geology degree from RMIT University in Melbourne and has also completed postgraduate studies in both geology and finance. He is a member of both the Australasian Institute of Mining and Metallurgy (AusIMM) and the Australian Institute of Geoscientists (AIG).

Andrew Jones will head up the exploration activities on the Greenpower portfolio of mining assets.

**Andrew Mounas** is an experienced Executive with substantial experience in the start-up and commercialisation of new businesses across a number of industries. Mr Mounas has held senior and executive roles in 'blue-chip' organisations such as BHP, WMC Resources, Asciano, Brookfield and Visy/Pratt Industries. He was the founding secretary of BHP's Group Investment Committee after the merger of BHP with Billiton. In addition, Andrew has been an Executive Director of a lamb technology / stockfeed business and has been involved through WMC, in the development of the MAP/DAP fertiliser facility near Mount Isa (now owned by Incitec Pivot).

Andrew will lead and manage the commercialisation of the fertiliser Business.

Cameron McLean, Managing Director stated, "we are very excited to have two individuals of the calibre of Andrew Jones and Andrew Mounas joining the team. Both bring a wealth of knowledge and practical experience to their respective parts of the business".
