- The Directors may extend the Entitlement Offer Closing Date by giving at least 3 Business Days' notice to ASX prior to the Entitlement Offer Closing Date.*
- The Company reserves the right to extend the Public Offer Closing Date or close the Public Offer early without prior notice.*
- The issue date of securities under the Entitlement Offer, Shortfall Offer and Public Offer, as well as under the Acquisition Agreement, are subject to and conditional upon receipt of conditional approval from ASX for the reinstatement of the Company to trading on the Official List. As such, those securities may not be issued on the date set out in the timetable above, which is consistent with the requirements under the ASX Listing Rules in respect of the Entitlement Offer.*
ASX has approved an extension to the date by which the Company may issue securities under the Entitlement Offer (which would generally be required no longer than 5 Business Days following the closing date of the Entitlement Offer) until such time as the Company has received conditional approval to be reinstated to trading, and those conditions have been met to the Company's satisfaction.
The above stated date for settlement of the Acquisition and re-instatement to quotation is therefore only a good faith estimate by the Directors and may be extended. The Company reserves the right not to proceed with the Offers at any time before the issue of securities
