

TRANSCENDENCE TECHNOLOGIES LIMITED SEPTEMBER 2018 QUARTERLY ACTIVITIES REPORT

The Board of Transcendence Technologies Limited (**Transcendence** or the **Company**) provides the following report on its activities and operations for the quarter ended 30 September 2018.

E-Collate

The Company is undertaking a review of the commercial viability of the E-Collate business model and platform. As such, limited work was performed on the platform in the quarter.

Until such time that the Board is satisfied that an appropriate financial return can be generated for the Company through commercialising the E-Collate platform, the Board remains focused on preserving shareholder funds.

Corporate

In July 2018, the Company elected to convert the unsecured convertible note (**Convertible Note**) issued by PrimeX Connect Pty Ltd (**PrimeX**) in November 2017.

PrimeX is a digital marketplace for wholesale red meat that connects International buyers and sellers so they can negotiate and trade securely and efficiently. As part of a Collaboration Agreement with PrimeX, TTL invested \$200,000 towards the initial project assessment by way of subscription to 2,000 Convertible Notes at a face value of \$100 each.

By electing to convert at this stage, the Company received a total of 2,000,000 fully paid ordinary shares in PrimeX. The Company has been advised that PrimeX is well placed to complete its planned 20c IPO, and list on the ASX in the first half of 2019.

During the quarter, Mr Patrick Burke was appointed as a Non-executive Director of the Company following the resignation of Mr Edwin Bulseco.

Mr Burke has extensive legal and corporate advisory experience and over the last 12 years has acted as a Director for a large number of ASX, NASDAQ and AIM listed companies. His legal expertise is in corporate, commercial and securities law, in particular, capital raisings and mergers and acquisitions. His corporate advisory experience includes identification and assessment of acquisition targets, strategic advice, deal structuring and pricing, funding, due diligence and execution.

At the end of the quarter, the Company had cash reserves of approximately \$1.565 million. The Appendix 4C report attached to this report contains the Company's cash flow statement for the quarter.
