EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2018 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.tt-limited.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – PETER WALL

ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting. The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

The Company currently has three Directors and accordingly one must retire. Peter Wall, who has served as a director since, 6 October 2015 and was last re-elected on 3 October 2016, retires by rotation and seeks re-election.

Mr Wall is a corporate lawyer and has been a Partner at Steinepreis Paganin (Perth based corporate law firm) since July 2005. Mr Wall graduated from the University of Western Australia in 1998 with a Bachelor of Laws and Bachelor of Commerce (Finance). He has also completed a Masters of Applied Finance and Investment with FINSIA. Mr Wall has a wide range of experience in all forms of commercial and corporate law, with a particular focus on technology companies, resources (hard rock and oil/gas), equity capital markets and mergers and acquisitions. He also has significant experience in dealing in cross border transactions. Mr Wall is also a non-executive director of a number of other ASX listed entities.

If elected, the Board does not consider Peter Wall will be an independent director.

The Board supports the re-election of Peter Wall and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – ELECTION OF DIRECTOR – PATRICK BURKE

Clause 13.4 of the Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to clause 13.4 of the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Burke has extensive legal and corporate advisory experience and over the last 12 years has acted as a Director for a large number of ASX, NASDAQ and AIM listed companies. His legal expertise is in corporate, commercial and securities law, in particular, capital raisings and mergers and acquisitions. His corporate advisory experience includes identification and assessment of acquisition targets, strategic advice, deal structuring and pricing, funding, due

diligence and execution. Mr Burke is also a non-executive director of a number of other ASX listed entities.

The board considers Mr Burke to be an independent director. He was appointed to the board on 28 September 2018 and the board supports his re-election.

The Board supports the election of Patrick Burke and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY– SHARES

5.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$3,126,972 (based on the number of Shares on issue and the closing price of Shares on the ASX on 4 October 2018).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has two (2) classes of Equity Securities on issue, being the Shares (ASX Code: TTL) and quoted Options (ASX Code: TTLO), and two (2) classes of unquoted Options.

If Shareholders approve Resolution 4, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out below).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
- (iv) less the number of Shares cancelled in the previous 12 months.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

5.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 4.2(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at 9 October 2018.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	0.0110 50% decrease in Issue Price	0.022 Issue Price	0.033 50% increase in Issue Price
173,720,669 (Current Variable A)	Shares issued - 10% voting dilution	17,372,067 Shares	17,372,067 Shares	17,372,067 Shares
	Funds raised	\$191,093	\$382,185	\$573,278
260,581,004 (50% increase in Variable A)	Shares issued - 10% voting dilution	26,058,100 Shares	26,058,100 Shares	26,058,100 Shares
	Funds raised	\$286,639	\$573,278	\$859,917
347,441,338 (100% increase in Variable A)	Shares issued - 10% voting dilution	34,744,134 Shares	34,744,134 Shares	34,744,134 Shares
	Funds raised	\$382,185	\$764,371	\$1,146,556

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 173,720,669 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 9 October 2018.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.

4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for technology and product development, marketing, new project generation, the acquisition of new assets, investments and businesses and for general working capital purposes; or
- (ii) as non-cash consideration for the acquisition of new technologies and product development, new assets, investments and businesses but in which circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 22 November 2017 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12-month period preceding the date of the Meeting, being on and from 22 November 2017, the Company did not issue any securities.

The Company did not issue any securities during the 12-month period preceding the date of the Meeting.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

5.3 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 4.

6. RESOLUTIONS 5 - 7 – ISSUE OF OPTIONS TO RELATED PARTIES – PETER WALL, PATRICK BURKE AND JEREMY KING

6.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 11,500,000 Options (**Related Party Options**) to Messrs Wall, Burke and King (**Related Parties**) on the terms and conditions set out below.

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes giving a financial benefit and Messrs Wall, Burke and King are related parties of the Company by virtue of being Directors.

In addition, ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Related Party Options to the Related Parties.

6.2 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.11)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided in relation to the proposed grant of Related Party Options:

- (a) the related parties are Messrs Wall, Burke and King and they are related parties by virtue of being Directors;
- (b) the maximum number of Related Party Options (being the nature of the financial benefit being provided) to be granted to the Related Parties is:
 - (i) 5,500,000 Related Party Options to Mr Wall;
 - (ii) 3,000,000 Related Party Options to Mr Burke; and
 - (iii) 3,000,000 Related Party Options to Mr King
- (c) the Related Party Options will be granted to the Related Parties no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules)

and it is anticipated the Related Party Options will be issued on one date;

- (d) the Related Party Options will be granted for nil cash consideration, accordingly no funds will be raised;
- (e) the terms and conditions of the Related Party Options are set out in Schedule 1;
- (f) the value of the Related Party Options and the pricing methodology is set out in Schedule 2;
- (g) the relevant interests of the Related Parties in securities of the Company are set out below:

Related Party	Shares	Options
Mr Peter Wall	2,150,000	2,500,000 ¹
Mr Patrick Burke	Nil	Nil
Mr Jeremy King	500,000	5,100,001 ²

¹ 2,500,000 listed Options exercisable at \$0.05 each on or before 11 August 2019.

² Comprising 5,100,001 listed Options exercisable at \$0.05 each on or before 11 August 2019 and 500,000 unquoted Options exercisable at \$0.03 each on or before 10 June 2019.

- (h) the remuneration and emoluments from the Company to the Related Parties for the previous financial year and the proposed remuneration and emoluments for the current financial year are set out below:

Related Party	Current Financial Year	Previous Financial Year
Peter Wall	36,000	42,000
Patrick Burke	36,000	N/A
Jeremy King	36,000	36,000

- (i) if the Related Party Options granted to the Related Parties are exercised, a total of 11,500,000 Shares would be issued. This will increase the number of Shares on issue from 173,720,669 to 185,220,669 (assuming that no other Options are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 6.21%, comprising 2.97% by Mr Wall, 1.62% by Mr Burke and 1.62% by Mr King.

The market price for Shares during the term of the Related Party Options would normally determine whether or not the Related Party Options are exercised. If, at any time any of the Related Party Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Related Party Options, there may be a perceived cost to the Company.

- (j) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	5.3 cents	25 February 2018
Lowest	1.5 cents	3, 20 – 21 and 24 September 2018

- (k) the Board acknowledges the grant of Related Party Options to the Related Parties is contrary to Recommendation 8.3 of The Corporate Governance Principles and Recommendations with 2014 Amendments (3rd Edition) as published by The ASX Corporate Governance Council. However, the Board considers the grant of Related Party Options to the Related Parties reasonable in the circumstances for the reason set out in paragraph (m);
- (l) the primary purpose of the grant of the Related Party Options to the Related Parties is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward the performance of the Related Parties in their respective roles as Directors;
- (m) Mr Wall declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution on the basis that Mr Wall is to be granted Related Party Options in the Company should Resolution 5 be passed. However, in respect of Resolutions 6 and 7, Mr Wall recommends that Shareholders vote in favour of those Resolutions for the following reasons:
- (i) the grant of Related Party Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
 - (ii) the grant of the Related Party Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed;
- (n) Mr Burke declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 6 be passed. However, in respect of Resolutions 5 and 7, Mr Burke recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (o) Mr King declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Related Party Options in the Company should Resolution 7 be passed. However, in respect of Resolutions 5 and 6, Mr King recommends that Shareholders

vote in favour of those Resolutions for the reasons set out in paragraph (m);

- (p) in forming their recommendations, each Director considered the experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Related Party Options to be granted as well as the exercise price and expiry date of those Related Party Options; and
- (q) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 to 7.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Options to the Related Parties as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Options to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

7. RESOLUTION 8 – PLACEMENT – APPROVAL TO ISSUE OPTIONS IN CONSIDERATION FOR SERVICES PROVIDED BY XCEL CAPITAL PTY LTD

7.1 General

Resolution 8 seeks Shareholder approval for the issue 6,500,000 Options (**Advisor Options**) to Xcel Capital Pty Ltd in consideration for the provision of corporate advisory services to be provided pursuant to a mandate dated 1 October 2018 (**Mandate**) (**Placement**).

The Mandate relates to the provision of general corporate advisory services as required and or necessary, including but not limited to, developing and refining the Company's market communication strategy, identifying and introducing new opportunities, developing and setting strategic market milestones and assisting with roadshows and presentations to institutional clients that are consistent with the Company's projects and growth strategy.

The Mandate replaces a previous mandate relating to the provision of corporate advisory services and requires that the Company seek Shareholder approval for the issue of the Advisor Options. Whilst the Company does not regard the Mandate as material for the purpose of ASX Listing Rule 3.1 the Company intends to disclose it in the next quarterly report. ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

The effect of Resolution 8 will be to allow the Company to issue the Advisor Options pursuant to the Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

7.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Placement:

- (a) the maximum number of Advisor Options to be issued is 6,500,000;

- (b) the Advisor Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that Options will be issued on the same date;
- (c) the Advisor Options will be issued for nil cash consideration in satisfaction of corporate advisory services provided by Xcel Capital Pty Ltd;
- (d) the Advisor Options will be issued to Xcel Capital Pty Ltd (or their nominee/s), who is not a related party of the Company;
- (e) the Advisor Options will be issued on the terms and conditions set out in Schedule 1; and
