GOULAMINA ESIA REPORT SUBMITTED FOR APPROVAL

Birimian Limited (ASX: *BGS*, **Birimian** or the **Company**) is pleased to advise that the Company's wholly-owned subsidiary, Timbuktu Ressources SARL (**Timbuktu**) has formally lodged the Environmental and Social Impact Assessment (**ESIA**) Report for the Goulamina Lithium Project (**Goulamina** or the **Project**) with Mali's Environment Department (Direction Nationale de l'Assainissement et du Contrôle des Pollutions et des Nuisances (**DNACPN**)). Five copies of each of the main report and its 17 appendices were lodged with the Department in Bamako on 06 November 2018. The ESIA has been prepared by the Company's environmental consultant, Digby Wells Environmental. Lodgement of the ESIA sets in motion a statutory maximum period of 45 days to obtain environmental approval.
